VACCINATION REQUIREMENTS

**PROOF MUST BE PROVIDED WHEN
YOU CHECK-IN AT THE EVENT.**

*IAW USecAF Memo Events With Less
Than 250 Participants (9 Mar 22)*

Adults ages 18 and above must show proof of full vaccination against COVID-19 with a CDC issued card. Alternatively, they can provide documentation of a negative COVID-19 test result, taken within 72 hours of the event start time, provided from a laboratory, healthcare or test provider, or patient platform for the healthcare provider. Home tests do not meet requirement.

Children ages 5-18 that attend a public school system with a COVID testing mitigation process are NOT required to provide proof of vaccination or negative test result.

Children ages 5-18 that do NOT attend a public school system MUST provide proof of vaccination or negative test result.

Children 4 and under do NOT require proof of negative test result.
